

Second Amendment to September 1, 2012, Interlocal Agreement

This Second Amendment (the "Second Amendment") to the Interlocal Agreement between Broward County and Participating Communities for Solid Waste Disposal Support Services, dated September 1, 2012, is executed by and between Broward County, a political subdivision of the State of Florida ("County"), and _Village of Sea Ranch Lakes, a municipal corporation ("Participating Community"). County and Participating Community are sometimes each individually referred to as a "Party" and collectively as the "Parties".

RECITALS

A. In June 2012, County entered into an agreement with Wheelabrator Environmental Systems Inc., a Delaware corporation ("Wheelabrator"), to provide for the disposal of solid waste generated within Broward County ("Original Disposal Agreement"). Subsequently, County and Wheelabrator have entered into two (2) amendments (the Original Disposal Agreement and its amendments, including the Global Amendment, are collectively referred to as the "Solid Waste Disposal Agreement").

B. County and Participating Community (and other similarly situated Broward County municipalities) entered into an interlocal agreement for solid waste disposal support services, dated September 1, 2012 ("Original Interlocal Agreement"), so that Broward County municipalities might benefit from the disposal capacity provided through the Solid Waste Disposal Agreement. The Original Interlocal Agreement was amended with a first amendment, the template for which was approved by action of the Broward County Board of County Commissioners on February 27, 2018, Agenda Item 58.B. ("First Amendment"), wherein each Participating Community selected Wheelabrator to provide waste disposal services (the Original Interlocal Agreement and First Amendment are collectively referred to as the "Interlocal Agreement").

C. The Solid Waste Disposal Agreement and the Interlocal Agreement each expire on July 2, 2023, unless extended.

D. The Solid Waste Disposal Agreement allows County to renew its term for an additional five (5) years through July 2, 2028, provided (in addition to certain other conditions) there are waste disposal commitments from municipalities within Broward County whose residents and businesses collectively generate at least 500,000 tons of residential and commercial Waste (as defined in the Solid Waste Disposal Agreement and otherwise known as "Contracted Processable Waste" in the Global Amendment and this Second Amendment) on an annual basis.

E. The Parties wish to continue working cooperatively, diligently, and in good faith with one another to find regional, cost-effective, and environmentally sustainable solutions to dispose of solid waste. The Parties desire to further that goal by entering into this Second Amendment to extend the term of the Interlocal Agreement by another five (5) years.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, County and Participating Community hereby agree as follows:

1. The above Recitals are true and correct and are incorporated herein as if set forth in full hereunder. All capitalized terms not expressly defined within this Second Amendment shall retain the meaning ascribed to such terms in the Solid Waste Disposal Agreement or the Interlocal Agreement, as applicable.

2. The Interlocal Agreement is hereby renewed for a five (5) year period, commencing July 3, 2023, through July 2, 2028 (the "Renewal Period").

3. During the full term of the Renewal Period, Participating Community shall collect, transport, deliver, and deposit all Contracted Processable Waste within its boundaries to/at the appropriate receiving facility of Wheelabrator in accordance with the Solid Waste Disposal Agreement.

4. In addition to committing the Contracted Processable Waste referenced in paragraph 3 above, Participating Community may communicate its non-binding intent to collect, transport, deliver, and deposit all the following waste (as indicated by checking "Yes" below) within its boundaries to/at the appropriate receiving facility of Wheelabrator in accordance with the Solid Waste Disposal Agreement, except for waste or recycling material that is transported outside of the state of Florida. If Participating Community wishes to deliver and deposit any of the following waste to/at the appropriate receiving facility of Wheelabrator, it must provide a commitment to County and Wheelabrator by May 6, 2022.

No

Bulk Trash

Yes

No

Construction and Demolition Debris

Yes

No

5. Pursuant to Article 8(B) of the Solid Waste Disposal Agreement, County must provide notice to Wheelabrator not less than eighteen (18) months prior to the expiration of the Renewal Period if it intends on exercising an additional renewal term, which would commence July 3, 2028 ("Additional Renewal Period"). If Participating Community does not intend to extend the Interlocal Agreement for the Additional Renewal Period, it must give written notice to County at least twenty-one (21) months prior to the expiration of the Renewal Period. Unless such written notice is timely sent to County, Participating Community shall be deemed to have renewed this Interlocal Agreement through July 3, 2033, and Participating Community acknowledges that County will rely on Participating Community renewing the Interlocal Agreement in making its decision on whether to extend the Solid Waste Disposal Agreement for the Additional Renewal Period.

6. Participating Community hereby authorizes County to provide an executed copy hereof to Wheelabrator to evidence Participating Community's commitment for the entirety of the Renewal Period.

7. Participating Community understands that the services to which it is obligating itself by executing this Second Amendment, and that the terms and conditions under which those services will be provided, are those specified in the Solid Waste Disposal Agreement.

8. Preparation of the Second Amendment has been a joint effort of County and Participating Community, and the resulting document shall not, solely as a matter of judicial construction, be construed more severely against one of the Parties than any other.

9. In the event of any conflict or ambiguity between this Second Amendment and the Interlocal Agreement, the Parties agree that this Second Amendment shall control regarding the matters set forth herein. The Interlocal Agreement, as amended by this Second Amendment, incorporates and includes all prior negotiations, correspondence, conversations, agreements, and understandings applicable to the matters contained herein, and the Parties agree that there are no commitments, agreements, or understandings concerning the subject matter of this Second Amendment that are not contained in the Interlocal Agreement as previously amended or as amended by this Second Amendment. Accordingly, the Parties agree that no deviation from the terms hereof shall be predicated upon any prior representations or agreements, whether oral or written.

10. This Second Amendment shall become effective at such date as the Broward County Board of County Commissioners renews or extends the Solid Waste Disposal Agreement, the option for which may be exercised once County has received waste disposal commitments from municipalities whose residents and businesses collectively generate 500,000 tons of Contracted Processable Waste on an annual basis. County shall not be liable to Participating Community, or any third party, for the action, inaction, or breach of a contractual obligation by Wheelabrator, including but not limited to any refusal by Wheelabrator to renew or extend the Solid Waste Disposal Agreement.

11. This Second Amendment may be fully executed in multiple copies by the parties, which together shall have the force and effect of an original document.
