C. The method for distribution of the proceeds is established by an Interlocal Agreement with Municipalities representing a majority of the population of the incorporated area within the County (“Interlocal Agreement”).

D. Paragraph 4 of the Interlocal Agreement requires annual adjustment of the division and distribution of the proceeds based upon the population of the individual Municipalities and unincorporated Broward County utilizing the population figures set forth in the most current edition of “Florida Estimates of Population,” published by the Bureau of Economics and Business Research, Population Division, University of Florida (“BEER Figures”).
