Subject: RE: expiration of permit for 34 Minnetonka Rd.

To: Starr Paton, Village Clerk . Village Council

Good Morning to all.

Charles and Susan Urso respectfully request an extension of our building permit at 34 Minnetonka Road ,Sea Ranch Lakes. The target date of completion is late December 2022. Due to the Covid – 19 environment the project has been dealing with since 10/2020 , labor, materials, equipment and many other factors has delayed the completion of 34 Minnetonka as well as the Urso' being able to oñce again occupy their new home. We would be grateful for the cooperation and extension to all including all our neighbors for this consideration.

Most Sincerely
Charles and Susan Urso
