Recommendations from Lenore for Code Compliance additions to our code of ordinances:

Foundation shrubs

Screening shrubs

Pressure clean/weed appurtenances/driveways/walkways

Plants must be planted not just pots where should be planted

Plant boxes and decorative plant holders must have plants in them

Outside storage

Ground cover or decorative rock

Cleaning the underbrush of hedges

Leanne wanted coconuts removed all year

Pyramid, stones, or other items to prevent parking in the swales

Anything regulating portolets

These are my thoughts right now
